

# Study Abroad Payment Process

(For programs where BCC is a direct sponsor)  
(i.e. Dominican Republic)

## Some important things to note about paying:

- ❖ The bill you receive in the mail will show two separate charges: One for “Study Abroad Tuition” and one for “Study Abroad Program”. These charges are what we call the Program Cost. They are separated only for the Bursar’s purposes at BCC. The total will still add up to the Program Cost.
- ❖ Items not covered by the Program Cost are still the responsibility of the student. Such costs include:
  - Books \$150-\$200 (approx.)
  - Airfare, RT \$500-\$900 (approx.)
  - Personal expenses (including lunch) \$800-1000 (approx.)
