Student - Please read carefully and sign below.

If you are enrolled in a program of study at BCC, you are responsible for making sure that you understand and meet all degree requirements as stated on the college website and the General Catalog. You must meet all necessary pre-requisites for your course registrations. If you register for courses that do not pertain to your program, your graduation may be delayed and there may be financial aid implications. You have discussed your course selection with your advisor and agree with what is listed above. You also understand that it is your responsibility to run and review your Degree Evaluation on MyCollege to insure you are taking courses you need for graduation. You understand that the registration process is not complete until you enter these courses into the computer **as advised**. The tuition bill must be paid by the due date or your schedule will be removed due to nonpayment. Further, you acknowledge that your advisor has discussed the above information with you; you understand that it is your responsibility to contact your advisor with questions.
