Undecided? We've got you covered. The Liberal Arts Associate in Arts degree program is BCC's most traditional university-parallel program. It offers you a broad selection of Liberal Arts courses. Advisors will assist you in identifying and developing goals and making the best choices for your future. With the AA degree, you will complete all ten of the SUNY General Education requirements before transferring to a four year college or university.

The 64 credits required for the AA degree are generally completed within the subject areas and courses outlined on this page. Your choice of specific courses within each area will depend on your transfer and career goals and/or personal interests.

Academic Planning Seminar

College orientation and planning for entering students

Approved Electives

ARTS

Choose from courses in Art and Design, Music, and Theater.

College Writing I and II

Reading and writing strategies for academic essay composition

Communicating About Ideas and Values
