Culinary Meeting summary with Mike Stamitz

- If a student is late to class their participation grade for one class day will be decreased by 35% (less than ½ point). This is a department policy enforced by the Professor of the course at their discretion.

- Regarding accommodations for students this is still an ongoing matter
- + CAI Meeting summary
  - Meeting held 10/19 with a focus on anthropology.
  - Liberal Arts a topic of complaint among some students
  - Institutional Learning Outcomes (what the student is expected to know prior to graduation) Diversity Equity Inclusion - CAI would like to get feedback from the students perspective on how well these matters are being presented and taught within courses
  - CAI would like to partner through a committee with volunteers from SA to help in the design of the survey
  - ***Tabled: motion to participate/volunteers for - this committee***
  - *Your Voice Matters*: Discussion on possible reorganization on academic representative bodies.
