
Policy:	Naming of College Spaces for Recognition Purposes	Reference No.: 1.27
Authority:	BCC Board of Trustees	
Approved:	February 28, 1996	
Revised:	December 11, 2008	

The Board of Trustees authorizes the College President to develop a list of college spaces and locations which may be named in recognition of an individual or a group who has made a significant financial contribution to the College.

The Trustees will approve general "suggested levels of support" for various locations before the College or SUNY Broome Community College Foundation offer to name a site in someone's honor. Once a donor has been identified with a particular location, a recommendation will be forwarded for approval by the Board of Trustees.

In situations judged exception by the Board of Trustees, and with the passage of six months from the time the exception is brought to the Board's attention, the Trustees may at their discretion elect to name SUNY Broome Community College facilities and locations on the basis of contributions other than financial.
